President's Message August 2021

At July's Board of Directors meeting two projects were approved that should be completed this summer or early fall.

One is the installation of a "junction box" in Colony 3 near the tennis courts at Clubhouse 3. This structure will allow us to clean debris from the storm drains in that area.

A survey conducted last year identified the storm drains in this area as needing additional cleaning. The installation is expected to be done late this summer.

The Board also approved resurfacing the basketball court. This project has been talked about for several years, but was always delayed as other projects were deemed more important. This resurfacing should take place this fall.

I mentioned in my July message that a number of homes have air conditioning units shrouded in weeds and bushes. August typically is the hottest month of the year and such growth can reduce the air conditioner's efficiency and increase electricity usage. The plants should be trimmed or removed. New and colorful umbrellas have been added at our pools. We are glad they are being used but we gratefully ask that before departing the pool to please close them to prevent wind damage. Such precautions will extend their life and prevent having to replace them.

If you see me on the walkways say "Hi".

Bob Burgdorfer, President Four Colonies Homes Association

MANAGER'S REPORT

We had the leak detector out for pools 1 & 2. He did some repair to pool 1, but we may have a larger issue with cracking in cement in the corner near one of the skimmers. This will need to be investigated when we close the pools and drain this one down some.

Harold & Alan have been trimming tree branches and help out with gutter repairs when there is a repair that's not up very high so we can save money by not having to reach out to the gutter contractor.

One of our street bidders marked all areas on the curbs he thought would need repair in 2022. Harold and I will drive through and confirm they didn't miss any or mismark ones that don't need repairs yet.

I have been getting active again with our storm drain contractor and there will be a motion made tonight to add a junction box that is necessary to start the process of repairing our storm drains.

Architectural Control Policy Concerning Gutter Guards.

When the homeowner requests to add gutter guards in which the gutter guard company then warranties the gutters, this will then negate Four Colonies Homes Association from maintenance or repairs of the gutters. Furthermore, the gutter/gutter cover color must match the color of the home or the homeowner is responsible to paint the gutters to match the home.

The homeowner must sign a waiver that they acknowledge that they release the Four Colonies Homes Association from the obligation of gutter maintenance or repairs.

Dear Homeowners,

It has been brought to our attention that some homeowners are feeding the wildlife. Please be aware that feeding the wildlife is illegal. A homeowner reported that corn cobs were found in their gutters and nearby neighbors' gutters. This is causing issues with stopping up the gutters and also drawing squirrels and other rodents to the homes. The game warden responded and let the homeowner know that if someone knows who is doing this, they can report them to the game warden and they will be fined.

Thank you for your attention to this matter,

Republic Service/Compost Connection Yard Waste 2021 Schedule & Guidelines

Four Colonies Homeowners Association Your yard waste day is Monday

Four Colonies Homes Association has purchased a yard waste pick up service on the following dates for all residents. Dates, as well as packaging guidelines, are listed below. Be sure to have all bags to the curb by 7:00 a.m. on these scheduled dates.

Association Collection will be made on these MONDAY dates:

March 15	August 9
April 12	September 13
May 10	October 11
June 14	November 15
July 12	December 13
,	

Please have your paper bags or 18" x 36" bundles out by 7:00 am. Your service is unlimited bags/bundles per pick up.

All items must be packaged in paper lawn waste bags or tied into 18" x 36" bundles. Route Service begins at 7:00 a.m. Please make sure all items are easily accessible from the street and not blocked by cars, or garbage cans.

We only pick up natural yard waste including grass, leaves, tree limbs (up to 6" diameter), flower or garden plants (without their pots), walnuts, apples, and Christmas trees (6' or less). All materials collected are taken to a licensed compost facility. This recycling facility does not allow for ANY trash, landscape, or construction materials. If bags contain trash or foreign material they will have to be left at the curb. Any plastic inside your bag will be considered trash and not picked up. We do NOT collect animal waste. Please tie brush securely with rope or twine — not wire. Mark bundles of thorns for the driver's safety. Christmas Trees are the only items that do not require bagging or bundling. We will accept Christmas trees up to 6' in length. If larger than 6' length please cut in half.

Your maximum item weight is 50 pounds. Do not use plastic tape on paper bags since it is not biodegradable. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood or items that would easily break a bag during removal. We do not pick up yard waste in cans. Watch the placement of your paper bags to avoid sitting in water at the curb.

Thank you for your business and compliance with our guidelines. If you have any questions, please contact Compost Connection at 816-761-8300 or Email office@compostconnection.com

ARCHITECTURAL CONTROL APPROVAL IS STILL A REQUIREMENT!!!!!

Architectural Control Approval is required before any permanent exterior change is made. This would include the removal of a fence, the removal of trees, the addition of trees and shrubs, basically any addition, or removal or replacement.

If you are planning to rebuild a deck or a fence in the same way it is currently designed, it is still necessary to get approval.

Architectural control helps to ensure that changes will fit in with the aesthetics of the surroundings. The look of your home impacts the look and value of your neighbors home. The reverse is also true; what your neighbor does to the exterior of his home impacts your home value. The Architectural Control Committee works hard to quickly approve homeowner requests.

YOU NEED ARCHITECTURAL CONTROL APPROVAL BEFORE BEGINNING ANY EXTERIOR CHANGES TO YOUR HOME!!!!!!!

ARCHITECTURAL CONTROL FORMS ARE AVAILABLE AT THE OFFICE IN CLUBHOUSE 2
AND ON THE WEBSITE AT www.fourcolonies.net
