President's Message August 2022

2

While summer is about half over there is still plenty of time to enjoy our pools, tennis and basketball courts and walkways.

We just came through an unusually hot June and hope all of you made it OK. Going forward, as I have said in the past, for optimum operation and cooling be sure to clear away any trees, bushes or debris that may be covering your outside air conditioning unit.

Two of our swimming pools were slow to open due to problems but both have been fixed and now all four pools are up and running.

PLEASE LOWER THE UMBRELLAS at the pools before you leave. Our main pool at Clubhouse 3 now has only one umbrella, because the others were left open and then damaged by wind. We cannot replace damaged ones this year. Close them.

The city's construction on Quivira damaged our irrigation system on that stretch of roadway. We are aware that the lack of watering may lead to some browning of grass on those berms. Our staff has been assured by the city that its crews will restore the damaged water lines.

Enjoy the rest of the summer and if you see me on the walkways say "Hi".

Bob Burgdorfer
President, Four Colonies Homes Association

The chimney was successfully removed from clubhouse three and the contractor said it was a lot more labor intensive than they initially thought. The contractor that did the siding repairs will be back soon to put up the new siding.

We have one bid on the streets from McConnell and still waiting on two more bids for Colonies 3 & 4 in 2023.

Please remember with the extreme temperatures and lack of rain, to consider watering around your foundation. Although a small percentage of homes have irrigation they have added (by going through architectural control), most homes do not. Here's some information off the web:

What To Do If Soil Pulls Away? The best thing to do is to start watering your foundation this summer. This stops the soil from pulling away. One solution is to place a soaker hose about 12-18" away from your foundation and let it run for about 20 minutes a day when it's super hot.

Please remember that if you have a bulky item that you are disposing of, you need to call Republic Services to schedule a pick up. DO NOT put your bulky item in or next to the dumpsters. These dumpsters are for homeowners who do not have driveway pick up. The trucks that empty these are not designed for bulky item pick up. If you see someone putting a bulky item in or next to the dumpster please try to get a license plate # and car description and report it to the police or call the office. The number to schedule your bulky item pick up is 816-254-1470. You get one complimentary pick up a year and they would let you know the cost if you need an additional pick up after that.

Thank you for choosing Republic Waste & Compost Connection for your yard waste recycling needs. We appreciate your business and look forward to a great year.

All items must be packaged in paper lawn waste bags or tied into 18' x 36" bundles.

Route Service begins at 7:00 a.m. Please make sure all items are easily accessible from the street.

We only pickup natural yard waste including grass, leaves, tree limbs, flower or garden plants (without their pots), walnuts, apples, Christmas trees (6' or less), etc. All materials collected are taken to a licensed compost facility. This recycling facility does not allow for ANY trash, landscape, or construction materials. If bags contain trash or foreign material they will have to be left at the curb. Any plastic inside your bag will be considered trash and not picked up. We do NOT collect animal waste. Please tie brush securely with rope or twine – not wire. Mark bundles of thorns for the driver's safety. Christmas Trees are the only items that do not require bagging or bundling. We will accept Christmas trees up to 6' in length, if larger please cut in half.

Maximum item weight is 50 pounds. Do not use plastic tape on paper bags since it is not biodegradable. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood or items that would easily break a bag during removal. We ask you to not use cans for your waste.

**ARCHITECTURAL CONTROL APPROVAL
IS STILL A REQUIREMENT!!!!!!**

Architectural Control Approval is required before any permanent exterior change is made. This would include the removal of a fence, the removal of trees, the addition of trees and shrubs, basically any addition, or removal or replacement.

If you are planning to rebuild a deck or a fence in the same way it is currently designed, it is still necessary to get approval.

Architectural control helps to ensure that changes will fit in with the aesthetics of the surroundings. The look of your home impacts the look and value of your neighbors home. The reverse is also true; what your neighbor does to the exterior of his home impacts your home value. The Architectural Control Committee works hard to quickly approve homeowner requests.

**YOU NEED ARCHITECTURAL CONTROL APPROVAL BEFORE BEGINNING
ANY EXTERIOR CHANGES TO YOUR HOME!!!!!!**

**ARCHITECTURAL CONTROL FORMS ARE AVAILABLE AT THE OFFICE IN CLUBHOUSE 2
AND ON THE WEBSITE AT www.fourcolonies.net**

LOW INVENTORY

No Four Colonies properties are listed for sale (in Active status) in the Heartland MLS as the August edition of The Clarion goes to press on July 27th.

June 21, 2022 to July 26, 2022 — 3 PROPERTIES SOLD

A total of 3 homes came onto the market and went under contract during this time.

An end unit ranch on crawl space, 2 bedrooms, 1½ bathrooms, listed at \$219,000.

A Maisonette II, 2 stories, 2 bedrooms, 1½ bathrooms, basement, listed at \$175,000.

A Manor, 3 bedrooms, 2½ bathrooms, basement, and carport listed at \$210,000.

Since the last Clarion, 12 homes closed escrow. 3 sold for asking price, and 9 sold for over asking price. The high sale in Four Colonies is \$391,000.

COMING SOON IN MLS

A Manor III, 3 story town home with a carport, now in PREMLS, will be on the market at the end of July. This property has been updated with all new carpet and paint. The 3rd floor loft with vaulted ceiling would make a fantastic artist's space, home office, or 3rd bedroom. There is a large rec room in the finished basement, as well as a second fireplace and a second full bathroom. Fabulous location backing to treed area, and just steps to one of three pools.

STRONG SELLER'S MARKET DESPITE INTEREST RATES

The strong seller's market shows no sign of letting up. There are few, if any, homes being built in Johnson County in our community's price range. Inventory remains low, and most sellers are receiving multiple offers. Mortgage interest rates are around 5½%, but the higher rates don't seem to have much of an effect on sales. That may be due in part, to high rental rates. Many renters are looking to buy!
