Recycling is available

There has been considerable interest from our multi-family units regarding access to recycling bins for our trash service.

Recycling bins are available and we certainly encourage their use. The small tub bins are available to units without garages, while the tall wheeled ones are available to those with garages.

While I am on the subject of trash—I want to encourage residents to use care when depositing trash in the dumpsters to prevent spillage. That spillage has to be cleaned up by our staff (the trash company does not do it), which takes time and is an avoidable task. Plus, the mess is unsightly.

Also, please breakdown your cardboard boxes that go in the dumpsters. This will allow the dumpsters to accommodate more trash.

I was glad to see that our first snowfall in January was quickly cleaned off the streets. However, some grass along the curbs was plowed up in the process. If this happens again, as you walk our walkways and streets try to replace the grass clumps to their original site. Once replaced they will take root again. That will make it much quicker to reestablish the turf than if we were to reseed the areas. The office did reach out to our snow service asking that it be more careful in future clean ups.

Lastly, it is great that our Chiefs are in the Super Bowl again. Because of covid we cannot host a community watch party in our clubhouse. But, if you host one at your home be considerate of neighbors and ensure guests do not block drives or parking spaces.

GO CHIEFS!

Say "Hi" when you see me on the walkways.

Manager's Report

Harold and Alan will finish re-building the pergola at pool 1 this week. This one was a full re-build. Harold has also been monitoring K.C. Tree as they work in Colony 3, making sure that they are following the specs.

Although we didn't like to see the heavy snow a couple of weeks ago, True North did a good job with removal and we received positive feedback.

Republic Service/Compost Connection Yard Waste 2021 Schedule & Guidelines

Four Colonies Homeowners Association Your yard waste day is Monday

Four Colonies Homes Association has purchased a yard waste pick up service on the following dates for all residents. Dates, as well as packaging guidelines, are listed below. Be sure to have all bags to the curb by 7:00 a.m. on these scheduled dates.

Association Collection will be made on these MONDAY dates:

March 15	August 9
April 12	September 13
May 10	October 11
June 14	November 15
July 12	December 13

**Please have your paper bags or 18" x 36" bundles out by 7:00 am.
Your service is unlimited bags/bundles per pick up.**

All items must be packaged in paper lawn waste bags or tied into 18" x 36" bundles. Route Service begins at 7:00 a.m. Please make sure all items are easily accessible from the street and not blocked by cars, or garbage cans.

We only pick up natural yard waste including grass, leaves, tree limbs (up to 6" diameter), flower or garden plants (without their pots), walnuts, apples, and Christmas trees (6' or less). All materials collected are taken to a licensed compost facility. This recycling facility does not allow for ANY trash, landscape, or construction materials. If bags contain trash or foreign material they will have to be left at the curb. Any plastic inside your bag will be considered trash and not picked up. We do NOT collect animal waste. Please tie brush securely with rope or twine – not wire. Mark bundles of thorns for the driver's safety. Christmas Trees are the only items that do not require bagging or bundling. We will accept Christmas trees up to 6' in length. If larger than 6' length please cut in half.

Your maximum item weight is 50 pounds. Do not use plastic tape on paper bags since it is not biodegradable. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood or items that would easily break a bag during removal. We do not pick up yard waste in cans. Watch the placement of your paper bags to avoid sitting in water at the curb.

**Thank you for your business and compliance with our guidelines.
If you have any questions, please contact Compost Connection at
816-761-8300 or Email office@compostconnection.com**

**ARCHITECTURAL CONTROL APPROVAL
IS STILL A REQUIREMENT!!!!!!**

Architectural Control Approval is required before any permanent exterior change is made. This would include the removal of a fence, the removal of trees, the addition of trees and shrubs, basically any addition, or removal or replacement.

If you are planning to rebuild a deck or a fence in the same way it is currently designed, it is still necessary to get approval.

Architectural control helps to ensure that changes will fit in with the aesthetics of the surroundings. The look of your home impacts the look and value of your neighbors home. The reverse is also true; what your neighbor does to the exterior of his home impacts your home value. The Architectural Control Committee works hard to quickly approve homeowner requests.

**YOU NEED ARCHITECTURAL CONTROL APPROVAL BEFORE BEGINNING
ANY EXTERIOR CHANGES TO YOUR HOME!!!!!!**

**ARCHITECTURAL CONTROL FORMS ARE AVAILABLE AT THE OFFICE IN CLUBHOUSE 2
AND ON THE WEBSITE AT www.fourcolonies.net**

SIGN UP NOW FOR ELECTRONIC DUES PAYMENT

Four Colonies residents now have the opportunity to pay their monthly dues electronically.

To participate, residents must go to the office and provide your bank account information.

Also you will need to sign the bank's required written authorization to participate in the withdrawal.

Four Colonies will authorize your electronic dues payment around the 15th of each month or the first business day thereafter

REMINDER

Everyone needs to pick up after their pets.

It's the law. City of Lenexa Ordinance Leash Law 3-2-D-3 states "owners must remove any excrement deposited by his animal on any public or private property." It is also "unlawful for any domestic animal to run at large." 3-2-D-2 of the Leash Law.
